## Welcome Back and Thank you!

In this issue we bring you up to date on some of the many initiatives that are supported by your generous donations. Your support allows us to assist 1/75 Rangers and their families in times of crisis, host and sponsor events to increase the morale and cohesiveness of the Rangers and maintain and care for the 1/75 Memorial site to the highest standard.

It is the Sua Sponte Foundation's goal to ensure 98 percent of donations go directly to its mission and cause.

## Heritage Center Update

Sua Sponte Foundation has undertaken a much-needed project in support of the U.S. Army Rangers of the 1st Battalion, 75th Ranger Regiment and their families. The Post currently has no theater, bowling, club or other gathering place for these Rangers to enjoy their downtime. A 4,000 sq. ft. recreation building, called The Heritage Center, has been proposed in the barracks quad area across from the Rangers' beautiful Memorial. Plans have been approved by Post authority and are being finalized. Your donation will help fund this important gathering spot for Rangers to enjoy.
