

January 2024

A 501c3 Charity

Happy New Year!

As we begin 2024, we reflect on the profound impact your generosity has had on the Rangers of the 1/75 and their families. Your commitment to our cause has made a tangible difference by uplifting spirits, fostering resilience and creating pathways to brighter futures.

Thank you for being an integral part of our mission to honor, assist and uplift our U.S. Army Rangers.

Layka's New Home

A beautiful bronze likeness of MPC Layka, by talented sculptor, Lena Toritch, permanently stands guard at the Hunter Army Airfield's Ranger Memorial.

MPC Layka was the first dog awarded an official Medal of Heroism in 2012. Although she had been shot, Layka found and subdued a known enemy combatant, and stayed focused on her capture. Layka's actions saved the lives of multiple special operations handlers that night.

Rangers Enjoy Hawks Game

Thirty-five Rangers and family members recently attended the annual Atlanta Hawks event-- a tradition spanning eight years. Sua Sponte Foundation sponsored transportation for these Rangers from Savannah to Atlanta, treating many of them to their first professional sporting event. They arrived in time for pregame workouts and had the special opportunity to be on the floor before the game. Over the years, this annual event has brought joy to over 1000 Rangers and their families.

Jim Cook Memorial Shooting Match!

A great day of range time was enjoyed by shooters and non-shooters alike. Thank you for the funds raised through this enjoyable annual event.

Savannah Bills Mafia Auction!

Much appreciation to Savannah Bills Mafia for raising funds for the Sua Sponte Foundation through its annual silent auction and football tailgating event.

Marathon Around the Capitol!

A big thank you to Ken Yasger for raising funds through his 24-hr. run around Georgia's Capitol Building.

Contact us if you wish to host a fundraising event.

Ranger Date Night

Donations to the Sua Sponte Foundation allowed the 1/75 Unit Ministry Team to host a date night for Rangers and their spouses at the luxurious “The Grey” restaurant in downtown Savannah. In addition to enjoying a delicious meal, couples spent time together focusing on principles to grow in their marriage and strengthen their bonds as Rangers continue to deploy and train around the globe. Rangers and their spouses also connected with other couples through laughter and love while recommitting to their vows. Future events such as this will allow Rangers to connect with their families, other families, and apply the love of God in their marriage.

Bagels and Donuts for Banner Day!

A truckload of bagels and donuts provided by the Sua Sponte Foundation were enjoyed by Rangers and their families during Banner Day -- an annual event that celebrates and commemorates the history, traditions and achievements of Rangers.
